Hub Cycle is a program of Partners for Active Living designed to increase the availability of and access to bicycles in Spartanburg County. This program is designed to increase the number of people using bicycles for transportation and recreation, as well as the number of trips taken by bike in Spartanburg County.

In 2010 Hub Cycle had 169 rentals and renewals, which is almost 100 more than in 2009. Hub Cycle continues to grow

with 55 donations this past year.

Meet Miguel, Hub Cycle's very own bicycle mechanic:

Miguel Espina has more than 20 years experience as a professional bike mechanic and bike store manager. He is in the Hub Cycle bike shop on Monday mornings and helps to refurbish our donated bikes so we can put them back on the road! Miguel plays a critical role in the sustainability of the Hub Cycle lending program. Come by and visit him!

Whether you are one of our renters or you have donated a bike or parts, you are the reason Hub Cycle is still going strong.

Thank you for participating in the Hub Cycle program!

This holiday season consider donating a "deposit" on a bike to help this program grow.
